★ Creative Minds Montessori Monthly Update ★

Dear Parents,

At Creative Minds, our Montessori and Waldorf inspired curriculum nurtures independence, creativity, and hands-on learning. August was an exciting month of exploration as children settled into routines, formed new friendships, and engaged in sensory, outdoor, and collaborative activities that sparked curiosity and joy for learning. As we wrap up the first month of the new school year, we want to express our heartfelt gratitude to all of you. Your trust, support, and enthusiasm have made this start truly exceptional. Our classrooms are alive with the joyful sounds of discovery, the children exploring new materials, problem-solving, creating, and connecting with peers. Their energy and curiosity are a reflection of the vibrant community we are building together. We especially appreciate the parents and teachers who have contributed to smooth transitions, participated in events, and generously shared their time and resources. Your involvement positively impacts the entire Creative Minds community, and we are deeply thankful for your partnership. ★

August Highlights at Creative Minds

- Children embraced independence, creativity, and purposeful learning as they transitioned smoothly into our full Montessori curriculum.
- Hands-on activities promoted fine motor skills, problem-solving, and imaginative thinking.
- Outdoor exploration and sensory activities encouraged connection with nature and social-emotional development.
- Peer connections strengthened as children collaborated on projects and shared experiences, laying the foundation for lasting friendships.

We are thrilled to see the children engaging with confidence and curiosity. Each day reminds us of the importance of fostering a supportive, engaging, and nurturing environment. We look forward to the months ahead filled with growth, discovery, and memorable experiences. ♥

Thank you again for your trust and support in making this school year a wonderful journey for our children!

HOLLA

HELLO

What's New:

Beginning from the month of September, we're introducing daily specials to enrich your child's experience:

Art

Spanish

Food Prep

These activities support creativity, language development, and practical life skills. We'll also be doing lots of fun art projects and hands-on science experiments throughout the month!

✨ We're extra excited to share that September will also bring two very special events:

Fall Pictures – a wonderful way to capture those sweet school memories.

Grandparents Day – a heartwarming celebration where our children get to share their school world with their grandparents.

You'll find the full schedule in this month's planner.

Thank you for being a part of the Creative Minds family—we can't wait to enjoy this month's adventures together!

Warmly,

The Creative Minds Preschool Team!
