

MARCH NEWSLETTER

2026

February was a great month at our school! Last month, we wrote Valentines to our friends and families, celebrated the Lunar New Year, and explored the rich continent of Africa, learning about its geography, music, and culture. During Week 2, we celebrated Valentine's Day with crafts and kindness activities, Week 3, we honored Black History Month by discovering inspiring leaders, and Week 4, we wrapped up with Animals of Africa, exploring fascinating wildlife through stories and hands-on projects. As the weather warms and spring approaches, it's raining BUGS! We'll be getting outside to explore and soak in all that nature has to offer. We're also excited to announce that details for our upcoming Summer Camp will be coming your way very soon! We're working hard to create an unforgettable experience for your child, and we can't wait to share all the fun plans we have in store. Stay tuned for more information on dates, activities, and how to sign up – we look forward to another amazing summer together!

Reminders

March 20th: School closed for Teacher's in-service day.

March 17th: St. Patrick's Day Parade/ Nowruz celebration

Daylight Saving Time begins at 2:00 a.m. on Sunday, March 8, 2026. Remember to set your clocks forward one hour before going to bed on Saturday night. This means we "spring forward" and lose one hour of sleep, but we'll enjoy longer daylight in the evenings.

Birthday's!!

March 7th : Aiyla Mostarac

March 8th : Tinashe Chisirimuhuh

March 10th : Ethan Solomom

March 24th : Leonardo Jiminez

March 26th : Rebecca Bermudez

March 30th : Yusuf Kuzbari

March 31st : Ella Bastani

Weekly Themes

Week 1: Feelings/ Emotion

**Week 2: Lifecycle of a plant/
parts of the plant**

**Week 3: Dr. Seuss and
St. Patricks**

Week 4: Seasons

Week 5: Weather

Enrichment Programs

Funkey Kids, and Dance are designed to keep children active, confident, and engaged while having fun!

- Dance supports physical development by enhancing flexibility, balance, and coordination, and gives children a creative outlet to express themselves while learning the value of teamwork and perseverance.
- Funkey Kids brings energy and excitement through music and movement, helping children develop motor skills, confidence, and self-expression in a joyful, interactive way. Together, these activities provide wonderful opportunities for children to stay active, build social skills, and grow both physically and emotionally.

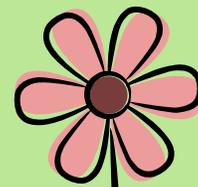

Program Details:

- **Each enrichment program offers 4 classes per week**
- **Enrollment fee is \$60 per child, per class**

Welcome Spring!!

Spring into Fun!

Simple Learning Activities You Can Do With Your Child at Home or on Weekends!!

Spring is the perfect time to grow, explore, and create together. Everyday moments can become powerful learning experiences!

You don't need a big garden — a small pot or cup works!

Try this at home:

Plant flowers, herbs, or vegetables in a pot.

Let your child water the plant each day.

Measure how tall it grows each week.

Keep a simple "plant journal" with drawings.

What your child learns:

• Science (how plants grow)

• Responsibility and patience

• Early math skills (measuring and counting)

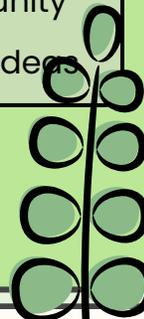

• New vocabulary words

🧑🏫 Support Local Art Together

Make it a family outing.

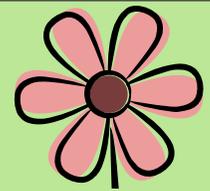

Weekend ideas:

- Visit a local art fair or community event.
- Watch an artist create something.
- Talk about colors, shapes, and feelings in the artwork.
- Let your child create their own "art show" at home.
- This helps children:
- Value creativity
- Feel connected to their community
- Build confidence sharing their ideas

Welcome Spring!!

Spring into Fun!

Take a Spring Walk

Turn a simple walk into an adventure.

Try this:

- **Count how many different flowers you see.**
- **Look for birds, insects, or butterflies.**
- **Talk about the weather and how it feels.**
- **Collect small leaves or rocks for a craft project.**
- **What your child learns:**
 - **Observation skills**
 - **Curiosity about nature**
 - **Descriptive language**
 - **Appreciation for the environment**
